With the permission of the Corporate Secretary, Atty. Roberto V. San Jose, the Assistant Corporate Secretary, Ana Maria A. Katigbak, reported that pursuant to SEC Notice dated March 16, 2021, the notice (or "**Notice**") of the meeting was published in print and online format in the business section of the Manila Times and the Business Mirror, both newspapers of general circulation, for 2 consecutive days at least 21 days before the meeting. A copy of the Notice, together with the Definitive Information Statement, minutes of the previous meeting, and other documents related to this meeting were also made accessible through the Company's website.

Qualified stockholders who successfully registered within the prescribed period were included in the determination of quorum. By voting through proxies or by participating remotely in the meeting, a stockholder was deemed present for purposes of determining quorum.

Based on this, the Corporate Secretary certified that there were present at the meeting stockholders owning at least **1,369,353,296** shares representing at least **75.18%** of the outstanding capital stock of the Company. Therefore, a quorum existed for the transaction of business.

The Chairman stated that although the Company was holding the meeting virtually, it had taken steps to ensure that the stockholders would have an opportunity to participate in the meeting to the same extent as possible as they would have had the meeting been done in person. The Assistant Corporate Secretary explained the participation and voting procedures adopted for the meeting. She stated that under the Company's By-Laws, every stockholder was entitled to one vote for each share of stock standing in his/her name in the books of the Company. For the election of directors, each stockholder was able to cumulate his/her votes.

Stockholders who successfully registered for the meeting were given the opportunity to cast their votes by voting by proxy until July 19, 2021. There were six (6) items for approval excluding the adjournment, as indicated in the agenda set out in the Notice. The proposed resolutions for each of these items were to be read out and flashed on the screen during the meeting when the proposal to approve the resolution was presented.

For all items in the agenda to be approved in the meeting other than the election of directors, the stockholders had the option to either vote in favor of or against a matter for approval, or to abstain. For the election of directors, the stockholders had the option to vote their shares for each of the nominees, not vote for any nominee, or vote for one or some nominees only, in such number of shares as the stockholders prefer; provided that the total number of votes cast did not exceed the number of shares owned by them multiplied by the number of directors to be elected.

Votes received through proxy forms were validated by Stock Transfer and Services, Inc., the Company's stock and transfer agent. The results of the voting, with full details of the affirmative and negative votes, as well as abstentions, were set out in Annex "A" of these Minutes

For all items in the agenda approved at the meeting other than the election of directors, the vote of the stockholders representing at least a majority of the outstanding capital stock were sufficient to approve the matter. For the election of directors, the nine (9) nominees receiving the highest number of votes were declared the duly elected members of the Board of Directors for the current term.

Finally, the Assistant Corporate Secretary explained that stockholders, once successfully registered, were also given an opportunity to raise questions or express comments limited to the agenda items by submitting the same through email or the Zoom meeting portal. She stated that Management would endeavor to reply to these questions or address these comments at the end of the meeting. Questions not answered would be answered by email.
